Long Distance Bell Telephone No. 77 Ind. Mutual Telephone No. 385

THE STOCK OFFERED is first class and in prime condition—Mostly in storage, except such stock as Evergreens and Strawberries.

For varieties not listed herein, also for terms and conditions, see Spring Trade List. Prices quoted are net and apply only on orders accepted aften date of this Bulletin.

RATES—Fifty trees of not less than ten of a variety furnished at hundred rates; three hundred at thousand rates. Long lists of varieties of a few trees of a kind will be charged at higher rates.

SPECIAL PRICES—We often can quote better than our published prices by letter to large buyers on varieties of stock we have in large supply, as prices vary throughout the season according to supply and demand.

STORAGE FACILITIES—Our superior storage facilities enable us to carry stock through the winter in prime condition. We have special facilities for holding stock in dormant condition for late trade. Our superior equipment throughout enables us to handle orders promptly.

WE RECOMMEND placing orders early, before assortment is broken.

PACKING, Boxing and baling extra, for which we charge to cover cost. No charge for packing bulk car lots.

On account of sales made while list is being printed, quantities offered are only approximately correct.

We Desire to Call Special Attention to our Large Supply of

Cherry, European Plum, Concord Grape, Houghton Gooseberries, Currants, California Privet, Roses.

ROOT GRAFTS

We are prepared to furnish a good assortment of the leading varieties of Apple and Crab Grafts, either whole or piece root. For whole root grafts we use the entire seedling, either a straight or branched root, as the customer may select.

Our facilities are unsurpassed for handling this branch of the business. In ordering please make list of varieties for 100 or multiples of 100 of a variety. Samples sent on application.

Write for prices stating varieties and quantities wanted.
